Description

{gallery}all-purpose/PL9362{/gallery}

All three of our exciting glass cleaners clean windows, glass and mirrors without leaving any film, streaks or hazing behind. We offer a classic, old-school Vinegar formulation (PL9300); a very pleasant and soothing Lavender formulation (PL9301); and our new Orangerine formula (PL9362) which is extremely crisp and refreshing. All three formulas are free of ammonia and dry fast. Non-toxic, readily-biodegradable, pH balanced formulas are made using sustainable, plant-based ingredients. Products are free of synthetic perfumes and dyes, greywater and septic safe. Recognized by the EPA's DfE and USDA's Biopreferred Program.

Product Ingredients

Ingredients	CAS #
Water	7732-18-5
Caprylyl/Myristyl Glucoside (plant-based surfactant)	110615-47-9
