Description

{gallery}specialty-cleaners/PL9704{/gallery}

Enzyme-based drain opener and maintainer that replaces dangerous toxic drain openers. Formulated with a creative mixture of four different enzymes that breakdown fats, starches and proteins for a quick and safe solution to clogged drains. May be used regularly as a drain maintainer to prevent clogging, and eliminate drain malodors. Does not generate heat, safe for all pipes including PVC pipes. Non-toxic, readily-biodegradable, pH balanced formula is made using only sustainable, plant-based ingredients. Product is free of synthetic perfumes and dyes, greywater and septic safe.

Product Ingredients

Ingredients	CAS #
Sodium Sesquicarbonate (mineral pH adjuster)	533-96-0
