### PLANT-POWERED COMMERCIAL CLEANERS

SAFER FOR WORKERS • EFFECTIVE • AFFORDABLY PRICED

USING THOUGHTFULLY SOURCED GLOBAL INGREDIENTS

[epa.gov/dfsafertools](http://epa.gov/dfsafertools)

\*Over 90% of ECOS™ Pro commercial cleaners are Safer Choice certified.

\*\*Over 70% of ECOS Pro cleaners are pH balanced.

# ECOS PRO HAS A NEW LOOK!

## DESIGNED TO COMMUNICATE

Even if your workers don't stop to read labels carefully, we've built in many ways to help them quickly understand the contents of each bottle. Good communication boosts safety and efficiency.

## COLOR BARS HELP STREAMLINE YOUR WORKER'S REGULAR TASKS

ECOS™ PRO labels now have color-coded bars on the most commonly used cleaners, making it easier (and safer) for workers to choose the correct container, even when they're moving fast!

# ALL-PURPOSE CLEANERS

## Orange Plus® All Purpose Cleaner

All Purpose Cleaner is a cleaner and degreaser, effectively lifting dirt, grime, scum, grease and adhesive residue with the power of citrus plants. Use it to clean and fight odors on water-safer surfaces. This readily biodegradable formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe. Refreshing citrus scent.

PL9706/6 6 pk - 32 oz spray  
 PL9706/04 4 pk - gallon

**GHS Compliant Label**  
 Warning: may cause eye irritation

## Orange Plus® 1:128 Concentrate All Purpose Cleaner, Degreaser

All Purpose Cleaner is a highly concentrated, powerful degreaser and can be diluted to different concentrations for a variety of applications (see chart below). This readily biodegradable formula lifts dirt, grime, scum and degreases with the power of citrus plants. Use on water-safe surfaces; allow 60 seconds dwell time on extremely dirty surfaces. Made without dyes using sustainable, plant-derived ingredients; greywater and septic safe. Refreshing citrus scent.

PL9748/04 4 pk - gallon  
 PL9748/05 5 gallon pail  
 PL9748/55 55 gallon drum

**GHS Compliant Label**  
 Warning: may cause eye irritation

DILUTION RATIO	PURPOSE
1 oz. Orange Plus® to 128 oz. water	General cleaning
1 oz. Orange Plus® to 64 oz. water	Heavy-duty cleaning
1 oz. Orange Plus® to 32 oz. water	Heavy-duty degreasing
1 oz. Orange Plus® to 16 oz. water	Parts wash or grill & oven cleaning

## Parsley Plus® All Purpose Kitchen & Bathroom Cleaner

Cleans and fights odors with the natural power of Parsley! Effectively removes dirt, grime, scum and grease from any water-safe surface. Effective in all areas of the kitchen and bathroom, excels on shiny surfaces such as granite and marble - leaves no haze or harmful residue. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Product is free of dyes, greywater and septic safe. Recognized by the EPA's Safer Choice (DfE) and USDA's BioPreferred Program.

PL9746/6 6 pk - 32 oz spray  
 PL9746/04 4 pk - gallon

**GHS Compliant Label**  
 Warning: may cause eye irritation

## Parsley Plus® 1:128 Concentrate All Purpose Kitchen & Bathroom Cleaner

This highly concentrated version of all purpose Kitchen and Bathroom Cleaner, Parsley Plus®. Dilutes to the different concentrations (see chart below.) This readily biodegradable formula lifts dirt, grease, grime and scum from water-safe surfaces with the power of parsley. Made without dyes using sustainable, plant-derived ingredients; greywater and septic safe. Pleasant parsley scent.

# WAREWASH

## Dishmate® Manual Dish Liquid, Pear, Free & Clear or Grapefruit

Highly-effective manual dishwashing liquid cleans and cuts grease without drying out skin. Quick-rinse formulation leaves less residue on dishes for faster, more thorough rinse time, eliminating residue and reducing water usage. Available in Pear, Free & Clear and Grapefruit. Hypoallergenic, readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

### PEAR

 PL9721/05 5 gallon pail  
 PL9721/55 55 gallon drum

**GHS Compliant Label**  
 Warning: may cause eye irritation

## DISHMATE® TIP

Dishmate® was formulated with low-foaming surfactants and detergents in order to cut through grease, remove foods and rinse very quickly. This is important, because a quicker rinse means a commensurate reduction in water use, and less time and labor spent rinsing. Surfactants and detergents do the dirt and grease-lifting; bubbles and lather do not clean.

## Wave® Automatic Dishwasher Gel Detergent, Free & Clear

Patented Wave® formula is a phosphate-free automatic dishwashing liquid. Works in all under-counter machines. Cuts through grease and dried-on food. Will not etch china, glass or plastics, and is safe for fine items like porcelain, silver and crystal. Works in all temperatures. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

PL9365/04 4 pk. - 100 oz.

**GHS Compliant Label**  
 Warning: may cause eye irritation

## Wave® Commercial Automatic Dishwasher Detergent, Free & Clear

Formulated specifically for commercial automatic dishwashing machines, this product is less viscous than our standard Wave® formula, allowing liquid to be easily pulled through tubes from the container to the machine. Cuts through grease and dried-on food. Will not etch china, glass or plastics, and is safe for fine items like porcelain, silver and crystal. Works in all temperatures and in all automatic dishwashing machinery. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

PL9440/05 5 gallon pail

**GHS Compliant Label**  
 Warning: may cause eye irritation

## WAVE® TIP

Once per month, we recommend pouring a cup of white distilled vinegar into the bottom of the dishwasher, and letting it run empty on the hottest temperature. This cleans your dishwasher and keeps it smelling fresh.

Over 15 states have banned phosphates. Acting as an aggressive fertilizer, phosphates cause plant life to grow at explosive rates in lakes, rivers and waterways. Algae blooms across water's surface, blocking air and sunlight from the natural interplay that oxygenates water, affecting marine life, insects and underwater plant life. Wave® is phosphate-free.

# FLOOR, CARPET & UPHOLSTERY

## Floor Cleaner, Lemon & Sage

Formulated for hardwood and laminate flooring, Floor Cleaner lifts dirt and fights odors. Removes grease, dirt, and even tough scuff marks while maintaining a floor's natural shine. Simply spray and wipe with cloth or microfiber mop. Leaves floors with a like-new clean and a fresh, neutral scent. Can also be used on ceramic, tile or vinyl flooring. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe.

PL9725/6 6 pk. - 32 oz. spray  
PL9725/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Floor Cleaner, Concentrate 1:128, Lemon & Sage

This effective Floor Cleaner cleans floors and fights odors with the fresh scents of lemon and sage. Leaves floors clean and fresh without residue, removes grease, dirt, and even tough scuff marks. Restores shine to finishes. Use on all hard floor surfaces, including hardwood, laminate and marble flooring. May be used in floor washing machines. Product is highly concentrated: use 1:128 dilution for general floor cleaning, and use 1:64 dilution for excessively dirty floors. Readily biodegradable formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe.

PL9325/04 4 pk. - gallon  
PL9325/05 5 gallon pail

**GHS Compliant Label**  
Warning: may cause eye irritation

## Heavy Duty Floor Cleaner, Concentrate 1:128, Orange Plus®

This Heavy-Duty Floor Cleaner is designed for the tough jobs, formulated to remove grease, dirt and stubborn scuff marks from floors. Ideal for concrete floors in high-traffic industrial settings. May be used manually or in floor washing machine. Product is highly concentrated: use 1:128 dilution for general floor cleaning and use 1:64 dilution for excessively dirty floors. Readily biodegradable formula is made using sustainable plant-derived ingredients. Made without dyes; greywater and septic safe. Refreshing citrus scent.

PL9448/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Stain & Odor Remover, Lemon

Stain & Odor Remover works on porous and non-porous surfaces, removing tough stains and odors from pets, foods and other organic sources with a highly effective, unique blend of enzymes and plant-derived surfactants. Can be used on a wide-range of surfaces including hardwood floors, carpet, laundry and is an excellent upholstery cleaner. Will not set stains or fade colors. Leaves a light lemon-fresh scent behind. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe.

PL9707/6 6 pk. - 32 oz. spray  
PL9707/05 5 gallon pail

**GHS Compliant Label**  
Warning: may cause eye irritation

## Carpet & Upholstery Cleaner Concentrate 1:40, Lavender

Low foaming Carpet & Upholstery Cleaner cleans carpets, furniture and upholstered surfaces, lifting dirt and grime without harsh chemicals. Matted-down fibers are cleaned and freshened, often coming back to their original shape. Fights odors in carpet and upholstery, too. Can be used in all carpet cleaning machines as well as hot and cold extracting machines. Soothing lavender scent. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived surfactants. Made without dyes; greywater and septic safe.

PL9165/04 4 pk. - 100 oz.

**GHS Compliant Label**  
Warning: may cause eye irritation

# SPECIALTY CLEANERS

## Stainless Steel Cleaner & Polish, Free & Clear Water-Based

This reliable and effective water-based formula cleans, polishes and protects stainless steel surfaces without leaving streaks, hazing or oily residues. Protects against water spots and fingerprints. Formulated to perform without harsh fumes. Excellent on other metal surfaces such as aluminum, brass, chrome, copper, zinc, silver and mild steel. The readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients, and is free of dyes; greywater and septic safe.

PL9330/6 6 pk. - 32 oz. spray  
PL9330/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Furniture Polish, Lemon

Furniture Polish cleans, conditions and protects wood and leather surfaces. Meticulously formulated with a blend of olive, lemon and orange oils for a superior performance, Furniture Polish permeates wood, restoring to a fine glow. Works on finished or unfinished wood surfaces. Contains no silicone. Use on leather, laminate, sealed granite, particle board and vinyl surfaces. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe. Fresh lemon scent.

PL9731/6 6 pk. - 32 oz. spray  
PL9731/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Graffiti Remover, Free & Clear

Removes unwanted graffiti: effectively removes paint, ink, permanent marker, crayon and adhesive from hard surfaces. Can penetrate and remove graffiti from porous surfaces such as brick, stone or concrete. When cleaning plastic, laminate and painted surfaces, dilute at a 1:2 ratio (or spray on cloth) and test for the correct strength. Increase strength as needed. Readily biodegradable formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe. Free & Clear.

PL9347/6 6 pk. - 32 oz. spray  
PL9347/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Heavy Duty Whiteboard Cleaner

Remarkably effective Heavy Duty Whiteboard Cleaner will clean dry-erase marker ghosting and residue from any whiteboard, marker board, dry-erase board, dry-wipe board or pen-board. Restores whiteboard surfaces to like-new condition, without affecting its surface for future use. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe.

PL9868/6 6 pk. - 17 oz. squeeze  
PL9868/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Daily Whiteboard Cleaner

Daily Whiteboard Cleaner helps maintain clean writing surfaces by effortlessly removing dry-erase marker from whiteboard, marker board, dry-erase board, dry-wipe board, or pen board. Cleans boards after daily use without affecting surface for future use. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe.

PL9869/6 6 pk. - 32 oz. spray  
PL9869/04 4 pk. - gallon

**GHS Compliant Label**  
Warning: may cause eye irritation

## Cream Cleanser, Lemon

This effective yet gentle abrasive lemon oil cream is formulated to cut through soap scum, mildew, dirt and grease. Deep cleans and polishes hard surfaces without scratching. Hypoallergenic, readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe. Fresh citrus scent.

PL9701/6 6 pk. - 17 oz. squeeze  
PL9701/05 5 gallon pail

**GHS Compliant Label**  
Warning: may cause eye irritation

## Toilet Bowl Cleaner, Cedar

Formulated with cedar oil and citric acid, Toilet Bowl Cleaner effectively cleans, freshens and fights odors in toilets, urinals and other ceramic bathroom surfaces. This viscous cleaner removes hard water stains, rust and mineral deposits without harsh fumes. Readily biodegradable formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe. Formula is made using sustainable, plant-derived ingredients. Fresh lemon scent.

PL9703/6 6 pk. - 24 oz. gooseneck

PL9755/05 5 gallon pail  
PL9755/55 55 gallon drum

**GHS Compliant Label**  
Warning: may cause eye irritation

## LAUNDRY TIP

After removing clean laundry from a high efficiency front-loading machine it's a good idea to leave the door open and allow the machine to dry out. Closing the door immediately after using makes the compartment airtight. The interior of the machine will still be moist, which can cause mold and mildew to grow inside the machine. For best results use ECOS® and leave the door open to dry out after use.

## OxoBrite® Oxygenating Whitener Free & Clear

Non-chlorine whitener and brightener removes stains by releasing oxygen when activated by water. The released oxygen then penetrates the stain's molecules and the stain disappears. Has dozens of uses: a laundry pre-soak or booster, a whitener, a carpet spot cleaner, bathroom grout cleaner; even works on a garage or shop floor. Color-safe and compatible with high-efficiency machines, OxoBrite® is effective against oil and water-based stains and effective in all temperatures. Its readily biodegradable formula is made using sustainable ingredients. Free of synthetic perfumes and made without dyes; greywater and septic safe.

PL9892/04 4 pk. - 8.5 lb. jug

**GHS Compliant Label**  
Warning: may cause eye irritation

# ODOR CONTROL

## EcoBreeze® Odor Eliminator

EcoBreeze® removes malodors from surfaces, fabrics and the air, including cigarette smoke and pet malodors. Great for water-safe textiles like curtains, carpeting and upholstery. Effective on any water-safe hard surface and built to eliminate odors in the air. Does not stain or leave harmful residues behind. Available in Magnolia & Lily and Lavender Vanilla. Readily biodegradable, pH balanced formula is made using sustainable, plant-derived ingredients. Made without dyes; greywater and septic safe.

## VENUS CLASSICS

## UniTab® Round Urinal Tab

Does Not Contain Para-Dichlorobenzene (p-DCB, Para)

The patented "NON-PARA" UniTab® fights odors, cleans, descales, de-limes, removes and prevents corrosion, uremic salt build-up and waste build-up. Keeps fixture and drain lines clear and open. Contains acid-stable enzymes to prevent the formation of ammonia, the cause of urine odors. UniTab is patented is because it fights odors and maintains drain lines without p-DCB. The round shape is designed to fit over drain domes. Greywater and septic safe.

### PINK SPICE

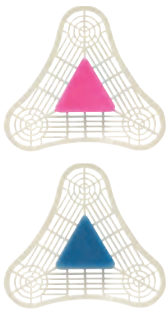

PL3625/12 12 pk. - 2.5 oz. and screen

### BLUE SPICE

PL3626/12 12 pk. - 2.5 oz. and screen

**GHS Compliant Label**  
Warning: may cause eye irritation

## UniTab® Triangular Urinal Tab

Does Not Contain Para-Dichlorobenzene (p-DCB, Para)

The patented "NON-PARA" UniTab® fights odors, cleans, descales, de-limes, removes and prevents corrosion, uremic salt build-up and waste build-up. Keeps fixture and drain lines clear and open. Contains acid-stable enzymes to prevent the formation of ammonia, the cause of urine odors. UniTab is patented is because it fights odors and maintains drain lines without p-DCB. The triangular shape and size was designed for maximum flexibility; fits into any urinal. Greywater and septic safe.

### PINK SPICE

PL2625/12 12 pk. -3 oz. and screen

### BLUE SPICE

PL2626/12 12 pk. -3 oz. and screen

**GHS Compliant Label**  
Warning: may cause eye irritation

Many urinal deodorant products currently available without p-DCB (PARA) are simply blocks of soap-like substances that quickly break apart to clog drain lines.

## PAPER PRODUCTS

## ECOS® Treeless Paper Towels ECOS® Treeless Bathroom Tissue

Made from bamboo and sugarcane, ECOS® Treeless Paper is a soft and strong alternative to recycled paper. Bamboo and sugarcane are highly sustainable: Bamboo is grown on registered farms and is remarkably fast-growing, while sugarcane leaves are recycled from the sugar industry. One roll of paper towels has 115 2-ply absorbent towels, and each roll of bathroom tissue is a double roll with 300 2-ply sheets.

PL9954/08 ECOS® Treeless Paper Towels  
115 2-Ply /Roll 6 pk. - Case of 8

PL9956/06 ECOS® Treeless Bathroom Tissue

## CARBON NEUTRAL, WATER NEUTRAL, AND ZERO WASTE CERTIFIED MANUFACTURING

Earth Friendly Products are manufactured in four geographically diverse manufacturing facilities across the U.S., listed below. We source locally and ship regionally to:

- Dramatically reduce carbon emissions
- Create green jobs in the U.S.
- Support local economies
- Reduce our costs to keep prices low

Our facilities are powered by 100% renewable energy. All facilities, equipped with solar panels, also have a trifecta of sustainability practices in place. Each one is carbon neutral, water neutral and Platinum Zero Waste certified.
